

GIRLS CODING DAY

#itsinhercode

4th-6th graders

7th-12th graders:

BUILD A MOBILE APP

Ever had an exciting idea for a mobile app? Come learn how to build one yourself! Dive into the fun and exciting world of Swift Playground for iOS and MIT AppInventor for Android.

Section 1
9:30-12:30*

Section 2
1:30-4:30*

BUILD A WEBSITE IN A DAY

Impress the world by putting creativity to the web. Learn programming and web design by building your own interactive website using HTML, CSS, and Javascript!

9:30-4:30*
Lunch provided.

**Please arrive 15 minutes early to both workshops*

**Saturday,
December 10th**

Madison Public Library - 3rd Floor
201 West Mifflin Street,
Madison WI 53703
